

HAPPY WHOLE HUMAN® Holistic Wellness Coach Certification Training

Over the course of one year, this All-In-One 205-hour certification program provides HAPPY WHOLE HUMAN® (HWH) coach trainees six levels of expertise. Most of the trainings are held virtually via weekly tele-classes and out of class interactive assignments, with one 6-day in-person intensive in Austin, Texas.

Level 1: HWH Coach-specific Training - Fundamentals of Coaching - 60 hours - virtual (8 weeks of tele-classes with an additional 10 hours of mentorship)

Level 2: HWH Coach Training - Happy Whole Human Holistic Wellness Self-Assessment Facilitator Certification - 25 hours - virtual (4 weeks of tele-classes, with an additional 2.5 hours of mentorship)

Level 3: HAPPY WHOLE HUMAN® Holistic Wellness Thought and Emotion Management Tools - 42.5 hours - virtual (8 weeks of tele-classes with 2.5 hours of mentorship)

Level 4: Intensive Hypnosis Certification Training - pre-approved by the American Council of Hypnotist Examiners - 43.5 hours - in-person (1 week intensive in Austin, Texas, with 3.5 hours of virtual pre-work)

Level 5: HWH Supervised Client Practicum - 29 hours - virtual (20 weeks: 1.5 hour tele-class, 20 hours of client work, 5 hours of administrative work, with an additional 2.5 hours of mentorship)

Level 6: Business Development - 7.5 hours - virtual (1 week-1.5 hour tele-class, 3.5 hours of homework, with an additional 2.5 hours of mentorship)

This program includes 5 hours of support coaching as needed to address personal and professional growth opportunities. Additional coaching will be available for a discounted rate of \$100/hour.

Cumulative total: 205 hours over the course of 48 weeks

Enrollment is contingent on an application process. Upon passing both a written and oral examination for each coach training level, students will receive certificates of completion, culminating with HAPPY WHOLE HUMAN® Holistic Wellness Coach Certification.

HAPPY WHOLE HUMAN® (HWH) programs prepare students for empowering and lucrative coaching careers in which they create interactive confidential healing spaces of unconditional acceptance and provide the support, information, and structure clients need to facilitate transformational change. Students are taught practical tools and techniques to help their clients conquer their fears, get out of their own way, and learn to live as Happy Whole Humans-radiant, happy, and fulfilled. Our mission is to empower individuals as they relax, reflect, and snap out of unconscious patterns via mindfulness and holistic wellness to overcome obstacles and improve their lives and relationships across the board.

HAPPY WHOLE HUMAN® provides a research-based framework for evaluating and understanding intrapersonal and relationship dynamics and tools to help individuals improve their relationship with themselves and others in order to achieve radiant health, happiness, and fulfillment. Our innovative programs provide coach trainees with cutting-edge tools, structure, and support to guide their clients to assess and overcome the personal and interpersonal challenges that contribute to chronic stress, interpersonal drama, disassociation, dissatisfaction, apathy, and burn out. In this way, this holistic program improves on traditional ways of thinking about wellness, adding specific key components of mental, emotional, and relationship health. Our program is unique in that it bridges the divide between researchers and clinicians.
